Sheriff Stewart Vander Stoep met with the Council to present the annual contract and asked about any concerns in the community. Deputies have been patrolling the 4-way stop at the intersection of Highway 18 and Highway 182 to produce statistics on safety concerns for Iowa Dept of Transportation. Sheriff Vander Stoep continues to communicate with Iowa Dept of Transportation about safety issues at this intersection. Evans will contact Lyon County Engineer's office about grinding out the rumble strips and the possibility of a flashing red light.

Motion by Huyser, second by Evans to approve the Annual Contract with Lyon County Sheriff's Department. The contract amount is \$24,592.00 for 2024-2025 and \$25,056.00 for 2025-2026. Carried 4-0.

Van Beek is working on a plan to divert storm water on North Douglas Street to a pit. This should allow water to be pumped more efficiently. The swimming pool needs to be painted before next season. Van Beek discussed ideas to resurface Diagonal Street. He will get estimates for asphalt and concrete.

Natalie Bohlke presented her monthly report. She continues to update the website and is planning a fundraising event for the community center.
